

STONE ART

**CREATIVE
COATINGS**

DISCOVER THE FUTURE OF PAINT

Nippon Paint Momento Stone Art is a paint unlike any you've experienced before. With its unique stone-textured formulation, you can give any room its own flair and personality. It's also versatile enough for both interior and exterior walls and will change your perceptions on what paint can be, broadening the possibilities of design at the same time.

Stain resistant, easy to maintain & washable

High adhesion, anti peel-off & flaking

Fungus & algae resistant

Excellent weather durability

Nippon Paint Momento Stone Art can be used in two exciting ways.

CREATE WALLS THAT FEEL GOOD TO THE TOUCH

Build classy spaces, and rooms with soul by incorporating Stone Art into new, unpainted walls from the ground up. Its stone inspired textures will elevate your project above the norm and add real value beyond one decorated with traditional paint.

CREATE WALLS THAT FEEL GOOD TO THE TOUCH

Give your walls complete Stone Art textures available
in these easy, carefully selected colour options.

ENHANCE EXISTING WALLS WITH ENDLESS TEXTURE POSSIBILITIES

Stone Art can add the premium feel of stone-like textures to any old wall, including ones already painted, without much effort. Apply it on your existing walls to upgrade its standard and earn plenty of admiration.

RECOMMENDED COATING SYSTEM FOR EXTERIOR MASONRY SURFACE

SURFACE PREPARATION

Thoroughly remove all loose paint, powdery residue, dirt, grease or any other foreign matter from surface. Repair cracks and uneven patches with suitable putty or fillers. Ensure surface is dry before painting.

RECOMMENDED USES (Highly recommended for Commercial, Industrial and Domestic walls for Interior and Exterior)

Decorating Interior and Exterior walls
Cement and Gypsum based plaster
Brickwork
Hard and Soft Boards

* Texture Finish is optional for SA series.
